Starting date of the event: 23/03/2017**Ending date of the event:** 23/03/2017**Event venue (city, country):** Riga, Latvia**Working language:** English/Latvian, interpretation will be provided**Number of places in total:** 80 (50 from Latvia, 30 from participating NAs countries)**Profile of participants:**

The seminar will be of interest to the representatives of the SE and VET sector education professionals, policy makers, stakeholders, industry representatives who are interested in the related theme and in sharing their expertise and experience, as well as networking that could lead to new projects in the field.

Themes and goals of the event: Thematic seminar aimed at the awareness raising about the issue, sharing best practices and opportunities to tackle the lack of digital skills in Europe, highlighting of innovative projects and initiatives for the e-skills development, input from the experts in the field, discussions and exchange of experience.

Expected results:

- Awareness raising and facilitation of discussion at all levels on the related theme;
- Exchange of good practices and establishing of cross-sectoral and transversal cooperation;
- Sharing of experience and discover new approaches how to encourage development of projects to fill the digital skills gap.
