Starting date of the event: 07/05/2019

Ending date of the event: 09/05/2019

Event venue (city, country): Florence, Italy

Working language: English

Number of places in total: 150

Profile of participants:

Because of the specific objectives of the TCA, the setting and focus of the international conference, we are looking for participants representing organisations involved in different sectors (HE, AE, SE and VET).

For some sectors and depending on the countries, alumni networks exist and they are invited to participate. For some other sectors and depending on the country context, we invite persons who may set up networks of alumni. For instance for schools that could be teachers or pupils involved in Erasmus+ projects as well as eTwinning ambassadors. For VET structure, it can be networks or apprentices or heads of VET organizations and trainees, for Higher Education it can be students and the Alumni networks already existing like Erasmus Student Network. For Adult Education, Key resources persons can be identified among the experimented projects and also within EPALE contributors. In some countries, some experiment involving beneficiaries of the programme within the positive role models may also be involved.

Themes and goals of the event:

The aim of the event is to create European network of Erasmus+ Alumni (that can be several and different networks).

They are supposed to act as main actors in the communication campaign for the future of the Programme as proposed by the EC.

The TCA meeting will be held within the frame of FESTIVAL D'EUROPA, a National event which involves the Municipality.

The main theme will be developed through stories and experiences of European alumni with the idea that Erasmus is a lifechanging experience that builds European identity

Expected results:

- Reinforcing European identity and sense of belonging
- Creating a first network of Erasmus Alumni to improve communication about Erasmus
- Spreading European opportunities with citizens
- Encouraging newcomers participation through real life Erasmus experiences

PROGRAMME OF EVENT
